Salta - Argentina

# 15° Congreso Internacional de Patología y Recuperación de Estructuras

*Primeras Jornadas Internacionales de Estudiantes Investigadores*

Universidad Nacional de Salta  
23, 24 y 25 de Octubre

## NEWSLETTER 2

Dear Professor/ Colleague /Student,

It is our pleasure to contact you again about the XV International Conference on Building Pathology and Construction Repairs and I International Student Researchers' Conference, to be held in the city of Salta, Argentina, from 23 to 25 October 2019.

The aim of CINPAR is to communicate, socialize and discuss the new advances in the fields aforementioned developed in the region, nationally and internationally. For the first time, students will be allowed to submit and present papers of their authorship.

Submission deadline for Abstracts: 15th November 2018.

The Abstract format guidelines are published on the Conference website: <http://www.cinpar2019.website/>, in which you will find detailed information about the thematic areas and their scope.

Renowned international referents have confirmed their attendance and will be sharing their expertise and study cases during the event.

We will appreciate information dissemination to the widest possible extent among members of the academic and scientific fields involved, and your colleagues.

Salta, October 22, 2018.

Sincerely,

Local Organizing Committee
